

# Sworn Enemy, Never

The anger i feel pushing me to the point i can't deal  
why would you try to push me to the side  
all this pain im feeling on the inside  
it rots my guy, gotta get myself out of this rut  
before i do something i'll regret  
you haven't seen the last of me yet  
never gonna hide my feelings, not to you or anyone else  
even if it means i'll die you wont ever see me cry  
never gonna be what you wanted to  
never gonna be what you wanted me to be  
i live my life my own way  
this is how its gonna be this is what i say  
this time i'll take life by the balls  
i won't stop till i've had my fill  
i'll keep draining till there's nothing left  
i won't let life pass me as i stand still  
never gonna hide my feelings not to you or anyone else  
even if it means i'll die you won't ever see me cry  
i'll rip your ass apart  
i'll watch you scream and shout  
you won't get a second chance to live  
cause i'll tear your heart right out  
you'll fell my pain
