

# Swosh, Set Myself Free

Although it&#039;s good you been up  
Things are not over  
I&#039;m holding onto my feel  
You go when i&#039;m wondering  
When will we realizing  
Beause i just can&#039;t forget  
I can&#039;t leave and  
And set myself free

[chorus]  
I cannot leave and set myself  
Myself free  
Never, never again  
I cannot leave never again

I am a man who&#039;s getting on way  
Goes straight with a smile  
You might cry rains in a while  
You know i&#039;m what i am  
I am those healing tears  
That&#039;s why i could come so near  
I can&#039;t leave and  
And set myself free

[chorus 2x]  
I cannot leave and set myself  
Myself free  
Never, never again  
I cannot leave never again (oohh)

Less about frightning  
Beyond a freak world  
Go your way because i love you again  
Less about watching  
The river as it flows  
We&#039;ve ever been here  
But still i don&#039;t know, yeah  
Set my-self...free

[chorus]  
I cannot leave and set myself  
Myself free  
Never, never again  
I cannot leave never again (oohh)

I cannot leave and set myself  
Myself free  
You will do it again  
I cannot leave  
Make it again, oohh
