

SWV, Downtown (Jazzy Radio Mix)

(Coko)

Boy, I want you to listen closely to what I have to say
'Cause this is the way to my heart

Oooh you can't stop till you find my love
You're all that I need, mmmm
That's the love that you've been dreaming of
Oooh, and I like it
(Repeat)

(Verse 1)

You've been wondering how you can make it better
Baby, it's easy to turn my world inside out
Your discovery will take us to another place
Baby, on that, there is no doubt
I've been waiting for the special moment
Anticipating all the things you'll do to me
Make the first step to release my emotions
To take the road to ecstasy

(Chorus)

You gotta go downtown
That's the way to my love (You know my way)
Take it round and round (Oh)
Oooh, you can't stop 'til you find my love (Oh)
Go downtown, (O-Oooh)
To taste the sweetness will be enough (That's the key the key now)
That's the love that you've been dreaming of (Yeah)

(Verse 2)

Keep on doing, doing what you're doing
'Til you feel the passion burning up inside of me
If you do me right
We'll be making love all through the night
Until you uncover the mystery
Take it nice and slow
Baby, don't rush the feeling
Now you know how you can make it happen, yeah
My desire is begging for the healing
Let me guide you down to the place to be

(Chorus)

You gotta go downtown
That's the way to my love (Don't be afraid of me baby)
Take it round and round (Don't be afraid of me no)
Oooh, you can't stop 'til you find my love
You gott ago downlow, (Let me be your lolly pop)
To taste the sweetness will be enough
That's the love that you've been dreaming of

Need - please don't miss
You're all that I need, mmmm
Need - please don't miss
You can't stop till you find my love
(Repeat)

(Bridge)

That's where I keep the key to my love (To my love)
It opens up the door to so, so much more
(So, so, so much more)
Baby, move on down, get closer
To my sensitivity.
Ooh, yeah
Baby, send me.

Downtown
(Repeat 4x)

Go down baby go down
Go down baby go down
Repeat Until Fade...
