

# SWV, I'm So In Love

Hey baby  
(I'm So In Love)  
I've had this feelin' for you for such a long time  
I just wanted to show how I feel inside  
(You are the only one)  
And you're the only person who can help me release it  
(I'm so in love)  
(I'm so in love)  
So let me hit you off with this nice and slow daddy

(Verse)  
Love is come and go  
But now it's here to stay  
You made me so happy, the day you came my way  
Every time I'm with you  
I love you more and more  
Cause you're the man, cause you're the man that I adore  
I'm so in love  
With you  
Taj and Lelee help me sing it

(Chorus)  
I'm so in love with you  
Don't you know you are the only one for me  
I'm so in love with you  
Don't you know you are the only one I need

(Verse)  
(I-I)  
I can't get enough of you  
I love whatcha do to me  
You treat me like a lady  
And you're sensitive to all my needs  
So don't ever go nowhere  
I don't know what I'd do  
Please stay with me for ever  
Because I'm so in love with you - yeah yeah  
I'm so in love  
With you  
I'm so in love

(Chorus)

(Cape)  
I love the way you caress my body  
The way you kiss me ooh  
The way you touch me  
I love it when you squise me  
That's why I'm so in love with you  
I can't get enough of you  
I want more and more everyday  
I'm strung out on you baby  
I love you so much

Repeat Chorus Until Fade...
