

SWV, Where Is The Love

(Where is the love)

Where

(That you promised me)

That you promised me

(Or are those days and the nights that we spent just a fantasy)

Just a fantasy

(Where is the love)

Where is the love

(That you said we would share)

(Why did I wake up this morning to find that you were not there)

(Verse)

You picked a fine time to tell me that you did not love me

(You did not love me baby)

And after all this time I thought that you were only thinkin' of me

Sometimes I feel like I could sit right down and just (cry)

But all that I can do tonight is wonder as I ask myself why

(Where is the love)

Where is the love hey hooeeey hey
