

# Syd Barret, Love You

Honey love you, honey little,  
honey funny sunny morning  
love you more funny love in the skyline baby  
ice-cream 'scuse me,  
I've seen you looking good the other evening  
Oh, you dig it, had to smile just an hour or so  
(are) we in love like I think we be?  
It Ain't a long rhyme.  
It took ages to think  
I think I'll hurl it in the water, baby...  
Honey love you, honey little,  
honey funny sunny morning  
love you more funny love in the skyline baby  
ice-cream 'scuse me,  
I've seen you looking good the other evening  
Flaking you are an nice little one  
to put it all around, its just good  
I like it, hey hey hey  
S'pose some time that day  
whoopie! swinging along over across to me  
Honey love you, honey little,  
honey funny sunny morning  
love you more funny love in the skyline baby  
ice-cream 'scuse me,  
I've seen you looking good the other evening  
Goodtime rocker woman we'll stray our pieces  
little creepy we shine so sleepy,  
so whoopie!  
That's how you look...  
Honey love you, honey little,  
honey funny sunny morning  
love you more funny love in the skyline baby  
ice-cream 'scuse me,  
I've seen you looking good the other evening
