## Syd Barrett, Octopus (Takes 1 & 2)

Trip to heave and ho, up down, to and fro' You have no word Trip, trip to a dream dragon Hide your wings in a ghost tower Sails cackling at every plate we break Cracked by scattered needles The little minute gong Coughs and clears his throat Madam you see before you stand Hey ho, never be still The old original favorite grand Grasshoppers green Herbarian band And the tune they play is "In Us Confide" So trip to heave and ho, up down, to and fro' You have no word Please leave us here Close our eyes to the octopus ride!

Isn't it good to be lost in the wood
Isn't it bad so quiet there, in the wood
Meant even less to me than I thought
With a honey plough of yellow prickly seeds
Clover honey pots and mystic shining feed...
Well, the madcap laughed at the man on the border
Hey ho, huff the Talbot
"Cheat" he cried shouting kangaroo
It's true in their tree they cried
Please leave us here
Close our eyes to the octopus ride!

The madcap laughed at the man on the border Hey ho, huff the Talbot
The winds they blew and the leaves did wag They'll never put me in their bag
The seas will reach and always seep
So high you go, so low you creep
The wind it blows in tropical heat
The drones they throng on mossy seats
The squeaking door will always squeak
Two up, two down we'll never meet
So merrily trip forgo my side
Please leave us here
Close our eyes to the octopus ride!
