

Syd Barrett, Scream Thy Last Scream (Old Woman

Scream thy last scream old woman with a casket
Blam blam your pointers point your pointers
Waddle with apples to grouchy Mrs. Stores
Shell be scrubbing bubbles on all fours
Scream thy last scream old woman with a casket
Fling your arms madly old lady with a daughter
Flat top top houses, mouses, houses
Victim a victim of sitting fat flat
Watching the telly til all hours, silly child
Fling your arms madly old lady with a daughter
(During Instrumental part)
Oh, sock it to me....
Scream thy last scream old woman with a casket
Blam blam your pointers point your pointers
Waddle with apples to grouchy Mrs. Stores
Shell be scrubbing bubbles on all fours
Scream thy last scream old women with a casket
