

Syd, CYBAH (feat. Lucky Daye)

Need love, write this down
Everything I have to say
Before we make our way, sugar
I'm gonna need assurance, babe (yeah)
If I ever make you mine, need to know if you're the type
Do me wrong or do me right
Guess you never really know
Gotta wait, see how it goes
See about it, down the road
That's a blessing when you find
Find a goner for the ride, don't make me regret tonight
Got a question 'fore we go, one more thing I gotta know
Take your time, baby
Could you break a heart? Oh, oh, oh
Could you break a heart? Oh, oh-oh, oh, oh-oh, oh
Could you break a heart? Ooh-oh, a heart
Could you break a heart
If I asked you, if you had to (yeah)
Promise, it's real, baby
Promise me you'll always keep my heart in a safe, please
Promise me your everything, no matter what they say
Shining when you with me like a diamond, wanna set it in stone
And lil' bae, let me play, let me plant your garden (yeah)
If I gave in today
Could you break a heart? Oh, oh, oh-oh, oh
Could you break a heart? Oh, oh-oh, oh, oh-oh, oh
Could you break a heart? Ooh-oh, a heart
Could you break a heart
If I asked you, if you had to? (Yeah)
Look me, in my eyes (In my eyes)
Let me, tell real lies
If so, I got what it take
And if no, wait another day
Big dreams, on my mind
Don't leave, blow my high
Let's roll, nothing make a break or spend it
You know, it's what I'm tryna touch you, babe
If I ever make you mine, need to know if you're the type
Do me wrong or do me right
Guess you never really know
Gotta watch the other girls
See about it, down the road
That's a blessing when you find
Find a goner for the ride, don't make me regret tonight
Got a question 'fore we go, one more thing I gotta know
Take your time, baby
Could you break a heart? Oh, oh, yeah
Could you break a heart? Oh, oh-oh, oh, yeah, yeah
Could you break a heart? Ooh-oh, woah-oh, yeah
Could you break a heart
If I asked you, if you had to? (Yeah)
