

Syleena Johnson, He Makes Me Say

Being in love is a beautiful, beautiful thing-oh

And he makes me say--
oooo oooo oooo oooo
oooo oooo oooo oooo
yeah yeah yeah yeah (come on)
oooo oooo oooo oooo (yeah yeah)
oooo oooo oooo oooo

[Verse 1]
I gotta guy who's got me feeling like a butterfly, oh
So beautiful and he loves me so
He's the kind that will never
Let me go

[B-Section]
And I wanna just clap, clap, clap my hands yall (Cause I feel all right)
I wanna dance in the rain
Tell the world about my real thing

[Chorus]
oooo oooo oooo, yeah
(He makes me say)
He's gotta smile that
(Make me say)
oooo oooo oooo
When he walks I'm feeling safe
oooo oooo oooo
All the lovin makes me feel
oooo oooo oooo
So good

[Verse 2]
He's the kinda guy
Who sends you roses on, anyday, oh
And he takes much pride in his southern style
A gentleman
And I can take him home to mamma

[Bridge]
Ooooooohhhh, ooooooh
When you fall in love
Don't it make you wanna call someone and tell 'em
Ooo ooo love
(Cause it's so good)
ooo ooo, love

[Chorus]
Clap, clap, clap my hands ya'll (Cause I feel alright)
