

Syleena Johnson, Still Open

Ooooooooooh
Ahhhhhhh's

[Verse 1]

It's winter
I last saw you in May
That was the month we
Went our separate ways
And every moment since that day
There have been things that I been wanting to say

[B-Section]

(Like I) Didn't mean to say those things
(And I) Didn't mean to cause you pain
(Just wanted to make you happy)
And I still wanna do that

[Chorus]

And if you really
Wanna know
My arms... are still open
No matter where we are
And no matter where we go
My arms (For you)
Are still open

[Verse 2]

I'm dreaming
Of a perfect day
We are together
Can you see us together
And I'm hoping
You might feel the same way
Hope we can start new
Cause I used to love you

[Chorus]

And I miss you
I need you
I'm so hopeless
Here without you
Wanna see you
Wanna touch you
Wanna show you
How much I love you
I understand you
I will swear to you
Here's a girl who
Is there for you
All this love I have inside...
Is waiting for you, oh

Oh, these arms there still open.....

[Chorus with Adlibs]

Ohh
Ahh

These arms are still open.... to you
