## Syleena Johnson, Still Open

Oooooooooh Ahhhhhhh's

[Verse 1] It's winter I last saw you in May That was the month we Went our separate ways And every moment since that day There have been things that I been wanting to say

[B-Section] (Like I) Didn't mean to say those things (And I) Didn't mean to cause you pain (Just wanted to make you happy) And I still wanna do that

[Chorus] And if you really Wanna know My arms... are still open No matter where we are And no matter where we go My arms (For you) Are still open

[Verse 2] I'm dreaming Of a perfect day We are together Can you see us together And I'm hoping You might feel the same way Hope we can start new Cause I used to love you

[Chorus]

And I miss you I need you I'm so hopeless Here without you Wanna see you Wanna touch you Wanna show you How much I love you I understand you I will swear to you Here's a girl who Is there for you All this love I have inside.... Is waiting for you, oh

Oh, these arms there still open.....

[Chorus with Adlibs]

Ohh Ahh

These arms are still open.... to you
