

# Sylver, Dance With Loneliness

An empty crossroad  
Footprints in the sand  
A silent witness  
Of where we used to stand

A lonely morning  
I feel so unsure  
Life seems harder  
Than it did the night before

I dance with loneliness  
When the lights are low  
When it's time to go  
I don't wanna know  
When the shadows rise  
When I close my eyes  
When it hurts inside  
Tell me why

A weary mindtrip  
And the night moves on  
No more moonshine  
Ever since you're gone

An endless torment  
Waiting for your call  
A hollow promise  
That makes me feel so small

I dance with loneliness  
When the lights are low  
When it's time to go  
I don't wanna know  
When the shadows rise  
When I close my eyes  
When it hurts inside  
Tell me why

Oh tell me why  
Why does it hurt inside  
When I just close my eyes  
I see the shadows rise

Why  
Why does it hurt inside  
When I just close my eyes  
I see the shadows rise

I dance with loneliness  
When the lights are low  
When it's time to go  
I don't wanna know  
When the shadows rise  
When I close my eyes  
When it hurts inside  
Tell me why  
Why does it hurt inside  
When I just close my eyes  
I see the shadows rise

Oh tell me why  
Why does it hurt inside  
When I just close my eyes

I see the shadows rise
