

Sylver, Fallin'

The night is cold
The rain pours down
Neon light's seducing me

I don't give up
I won't give in
Memory's accusing me

I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go
I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go

The dawn of day
A foggy dew
A gleam of light's suffusing me

I can't deny
My eager thoughts
Future sound's amusing me

I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go
I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go

The night is cold
The rain pours down
Neon light's seducing me

I don't give up
I won't give in
Memory's accusing me

I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go
I'm fallin'
Where do we go, I don't know
I'm fallin'
Nothing below, let it go

Where do we go, I don't know
Nothing below, let it go
