

# Symphony X, Savage Curtain

Besiege me not for what I am  
a man with intent in the Devil's den  
for I know not what to believe  
yet mad I am not in trust I deceive  
Radical alterations in my temper  
grows worse day by day  
I will offer you extreme opposition

Savage curtain closes in on you  
but I do grieve the evident  
behind this illusion

The fury of demons possessing me  
my fiendish corruption will fill my need  
every reason to fulfill my deed.  
Have we not a perpetual inclination  
to violate that witch is law merely  
because we know it is to be?

Savage curtain closes in on you  
but I do grieve the evident  
behind this illusion

(Solo)

Savage curtain closes in on you  
but I do grieve the evident  
behind this illusion
