

Syndicate Dream, Black

Close the curtains, pull the shades down low
Turn around and slam the door when you go
Cause I don't want you to see me
No, I don't want you to see me
Ain't been in movie and I'm searching for gold
I need a cover that will shelter my soul
Cause I don't want you to see me
No, I don't want you to see me
When I lie, when I lie
Find the pieces that I lack
Dressed in black

So you can stare into the redheaded skies
Lives there someone who desires to rise
Cause I don't want you to see me
No, I don't want you to see me
When I lie, when I lie
Find the colors that I lack
Dressed in black

And now it's so hard to be
Trapped down in the night
I wanna lie everything back in southern light

(guitar)

And I don't want you to see me
No, I don't want you to see me
When I lie, when I lie
Find the pages that I lack

I don't want you to see me
I don't want you to see me
I don't want you to see me
I don't want you to see me
I don't, don't, don't, don't, don't, don't
I don't, don't, don't, don't, don't, don't
I don't want you to see me no no
I don't want you to see me like this
