

# Syndrome, Crushed Adolescence

Searching for a song  
That sings my feelings  
Knowing all along  
That it won't heal me  
Torcher my tears  
I try to make them stall  
I didn't mean to fall  
Day turns into night  
You're still in my head  
Even though I fight  
To forget what you did  
My hand held in yours  
You can't deny at all  
You pushed me to fall  
I didn't mean to fall  
Will I ever walk  
In different foot prints  
Will I ever stop  
Crush adolescence  
Emotions I hate  
And don't wanna feel at all  
I didn't mean to fall  
I didn't mean to fall  
Mean to fall  
I didn't mean to fa
