

# Syreeta, Harmour Love

It's so bright, it's a light  
It's a so out of sight  
It's a feelin' all right  
Morning, noon or night  
It's the best thing in life  
That you don't have to buy  
It's a funny funny feelin';  
Down in your heart

It's so neat, it's a treat  
It's a somethin' that's sweet  
It's the one thing in life  
That will never be beat  
It's the one sits inside  
And loses the key  
That's that funny funny feelin';  
Down in your heart

It's a love, it's a love, it's a love  
It's the funny funny feelin';  
Down in your heart

Let it into your heart  
And you'll feel this funny feelin';  
Let it in, then together  
We'll join in harmour love  
Let it in, for the beat of your heart  
Will keep the rhythm  
Let it smile on the outside  
And sing in harmour love

Oh Joe, it's a pen, it's a friend  
It's a how have you been  
It's a I'm lookin' forward  
To seeing you again  
It's a laugh, it's a grin  
It's a let it begin  
It's that funny funny feelin';  
Down in your heart

It's a walk through the park  
It's a kiss in the dark  
It's a vow made by two  
That they never will part  
It's the spark that you feelin';  
From the moment it starts  
Known as that funny funny feelin';  
Down in your heart
