

# System Of A Down, Birds Of Paradise

Just a kiss from your lips and I'm..gone  
Just a smile from your touch and I'm..gone  
Just a touch from your words makes me whole  
And a glance from your eyes says home.  
I see what you're doing, you're piling it all up one by one,  
Pulling from the stars, drinking the teas,  
I SEE WHAT YOU'RE DOING, YOU'RE PILING IT ALL UP ONE BY ONE,  
PULLING THE EYES, PULLING THE TEAS,  
And CROSSING THEM ALL OUT!  
..Just a kiss from your lips,  
Just a smile from your touch and i'm gone  
Just a touch from your words makes me whole  
And a glance from your eyes says home.  
I see what you're doing, you're piling it all up one by one,  
Pulling from the stars, drinking from the seas,  
I SEE WHAT YOU'RE DOING, YOU'RE PILING IT ALL UP ONE BY ONE,  
PULLING THE STARS, PULLING THE SEAS,  
AND CROSSING THEM ALL OUT!  
Don't you want to be my love?  
Can't we suddenly elope?  
Try and cross the sea above  
Can't we suddenly elope  
Don't you want to be my love?  
Can't we suddenly elope?  
Try and cross the sea above  
Can't we suddenly elope?  
Just a kiss, a kiss from your lips  
And I
