

# System Of A Down, Know

Cursed Earth! Cursed Earth! Cursed Earth! Cursed Earth!

I will never feed off the evergreen luster of your heart  
all because we all live in the valley of the walls,  
when they speak we can peak from the windows of their mouths to  
see the land the women chant as they fly up to the sun.

You never think you know, WHY!

Know, You never think you know, WHY!

Know, Ever think you know why?

Go, go, go!!

Books all say different things while people flap their  
yellow wings trying to soar, being a whore of life  
and almost everything the sheep that ran off from the  
herd may be dead but now's a bird able to fly able to  
die able to fuck your mother's earth!

You never think you know, WHY!

Know, You never think you know, WHY!

Know, Ever think you know why?

Know.

On the other side, the other side, the other side,

Do you ever try to fly, Do you ever try to fly?

Have you ever wanted to die, have you ever want to die?

Don't ever try to fly, don't ever try to fly,

Don't ever try to fly, 'cause you'll leave your body on the other side,

Never try to die, do you ever try to die.

Know, You never think you know WHY!

Know, You never think you know WHY!

Know, You never think you know WHY!

Know, Ever think you know why,

KNOW~!!
