

# System Of A Down, Soldier Side

Dead men lying on the bottom of the grave  
Wondering when savior comes, is he gonna be saved  
Maybe you're a sinner into your alternate life  
Maybe you're a joker, maybe you deserve to die

They were crying when their sons left  
God is wearing black  
He's gone so far to find no hope  
He's never coming back

They were crying when their sons left  
All young men must go  
He's come so far to find the truth  
He's never going home

Young men standing on the top of their own graves  
Wondering when Jesus comes, are they gonna be saved  
Cruelty to the winner, bishop tells the king his lies  
Maybe you're a mourner, maybe you deserve to die

They were crying when their sons left  
God is wearing black  
He's gone so far to find no hope  
He's never coming back

They were crying when their sons left  
All young men must go  
He's come so far to find no truth  
He's never going home

Welcome to the soldier side  
Where there is no one here but me  
People all grow up to die  
There is no one here but me

Welcome to the soldier side  
There is no one here but me  
People on the soldier side  
There is no one here but me
