

# System Of A Down, The Metro

I'm alone  
Sitting with my broken glass  
My four walls  
Follow me through my past  
I was on a Paris train  
I emerged in London rain  
And you were waiting there  
Swimming through apologies

I remember searching for the perfect words  
I was hoping you might change your mind  
I remember a soldier standing next to me  
Riding on The Metro

I was smiling as you took my hand  
Saw the moon  
We spoke in France  
You were passed the shallow words  
Years have passed and still the hurt  
You were passed the shallow words  
Years have passed and still the hurt  
I can see you now  
Smiling as I pulled away  
Sorry

I remember the letter wrinkled in my hand  
"I'll love you always" filled my eyes  
I remember the night we walked along the Seine  
Riding on The Metro

I remember a feeling coming over me  
Then the soldier turned and walked away  
Fuck you for loving me  
Riding on The Metro

ahhh
