

System Of A Down, Thetawaves

The unsettled mind as it climbs in the light
Leaving the senses defend for themselves
The senses collect undeniable data
Of beta carotene and thetawaves
The unsettled mind as it climbs in the light
Leaving the senses defend for themselves, then
the senses wanted the sky.
all rise, eyes bound
Time feels like a midnight ride
Finality waits outside
Weeping in perplexities arms
Caressing our smiles inside
The national debt as it climbs in the light
Leaving the people defend for themselves
The people collect undeniable data
Of High pulse, weapons and microwaves
The national debt as it climbs in the light
Leaving the people defend for themselves, then
The people found out the lie
All rise, eyes bound
Now arise, heaven bound
Time feels like a midnight ride
Finality waits outside
Weeping in perplexities arms
Caressing our smiles inside
Wanting to get you high
Waiting to touch the sky
All rise, eyes bound
Now arise, heaven bound
Time feels like a midnight ride
Finality waits outside
Weeping in perplexities arms
Caressing our smiles in
