

Systematic, Deep Colors Bleed

Regress -Possession - No likeness
Impress - No virtue - In humbling
In room beyond the view
You choose to tremble in
Drawn and quartered institution
This place is set.
No feeling stronger than numbing
Blankest expressions - you??re calling.
Repressed - Adore you - They bought it
Suggest - It's no use - Lay dormant.
In room beyond the view
You choose to tremble in
Reinventing Christ who died
To make it make some sense.
No feeling stronger than numbing
Blankest expressions - your calling.
Calling you.
No feeling stronger than numbing
Blankest expressions - your calling.
Calling you.
