

Szymon Czyżewski, If I Can't Have You

I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?

I'm in Toronto and I got this view
But I might as well be in a hotel room (yeah)
It doesn't matter cause I'm so consumed
Spending all my nights reading texts from you

Oh, I'm good at keeping my distance
I know that you're the feeling I'm missing
You know that I hate to admit it
But everything means nothing if I can't have you

I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?

I'm so sorry that my timings off
But I can't move on if we're still gonna talk
It's I want all of you
All the strings attached

Oh, I'm good at keeping my distance
I know that you're the feeling I'm missing
You know that I hate to admit it
But everything means nothing if I can't have you

I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?

I am trying to move on, forget you, but I hold on
Everything means nothing
Everything means nothing, baby
I am trying to move on, forget you, but I hold on
Everything means nothing if I can't have you, no

I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
