

# Szymon Czyżewski, If I Can't Have You

I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?

I'm in Toronto and I got this view  
But I might as well be in a hotel room (yeah)  
It doesn't matter cause I'm so consumed  
Spending all my nights reading texts from you

Oh, I'm good at keeping my distance  
I know that you're the feeling I'm missing  
You know that I hate to admit it  
But everything means nothing if I can't have you

I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?  
I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?

I'm so sorry that my timings off  
But I can't move on if we're still gonna talk  
It's I want all of you  
All the strings attached

Oh, I'm good at keeping my distance  
I know that you're the feeling I'm missing  
You know that I hate to admit it  
But everything means nothing if I can't have you

I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?  
I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?

I am trying to move on, forget you, but I hold on  
Everything means nothing  
Everything means nothing, baby  
I am trying to move on, forget you, but I hold on  
Everything means nothing if I can't have you, no

I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?  
I can't write one song that's not about you  
Can't drink without thinking about you  
Is it too late to tell you that  
Everything means nothing if I can't have you?
