Szymon Czyżewski, If I Can't Have You

I can't write one song that's not about you Can't drink without thinking about you Is it too late to tell you that Everything means nothing if I can't have you?

I'm in Toronto and I got this view
But I might as well be in a hotel room (yeah)
It doesn't matter cause I'm so consumed
Spending all my nights reading texts from you

Oh, I'm good at keeping my distance I know that you're the feeling I'm missing You know that I hate to admit it But everything means noting if I can't have you

I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?

I'm so sorry that my timings off But I can't move on if we're still gonna talk It's I want all of you All the strings attached

Oh, I'm good at keeping my distance I know that you're the feeling I'm missing You know that I hate to admit it But everything means nothing if I can't have you

I can't write one song that's not about you Can't drink without thinking about you Is it too late to tell you that Everything means nothing if I can't have you? I can't write one song that's not about you Can't drink without thinking about you Is it too late to tell you that Everything means nothing if I can't have you?

I am trying to move on, forget you, but I hold on Everything means nothing Everything means nothing, baby I am trying to move on, forget you, but I hold on Everything means nothing if I can't have you, no

I can't write one song that's not about you Can't drink without thinking about you Is it too late to tell you that Everything means nothing if I can't have you? I can't write one song that's not about you Can't drink without thinking about you Is it too late to tell you that Everything means nothing if I can't have you?
