

# T.M.Revolution, Alien

You're so cool with your white lie.  
I miss you wasting all of my time.  
As soon as I am able to tell.  
All of you to go to hell.  
Everything will be the right way.  
U must be some kind of an alien.  
And I felt.  
Association built on what's cool.  
I'm leaving as soon as I become the rule.  
As soon as I am able to tell.  
All of you to go to hell.  
Everything will be the right way.  
U must be some kind of an alien.  
And I fell for it.
