

T-Pain, 69

(feat. J Lyriq)

[Intro:]

In the back of my Lincoln
With The Suicide Doors
Dere A Huh
Hahahah T-Pain J Lyriq Nappy Boy
Hit Me On My Hotline
I Am So Lonely Now
Oooooo
Baby That Is Alright With Me
Yeah Yeah Oh Yeah
In the back of my Lincoln
With The Suicide Doors
Baby That Is Alright With Me

[Verse 1:]

I Know You Waiting For Daddy
It Won't Be Long Shawty
Be Patient 'Cause I'm Flying To you
Riding dirty down New York Avenue
Maybe I'm Coming After You To Do A 69 With You
Baby Girl
I've Been Doing Tongue Exercises
And Girl
I'm Thinking 'Bout them Booty And them Thighs
And Girl
You Know That I Love Your Brown Hair
I Got You Up Here You Just Handle Me Shawty

[Chorus:]

Baby Let's Do 69
In the back of my Lincoln
With The Suicide Doors
Shades On For 69
Baby That Is Alright With Me
Baby Let's Do 69
Hit Me On My Hotline
I'm So Lonely Now
So That's A Start 69
Baby That Is Alright With Me

[Verse 2 - J Lyriq]

I Know You Waiting Baby
Sorry To Keep You Waiting
Don't Worry I'm gonna Do What I Do
Got Me Zooming On This Street
Trying To Find were you stay
To Put This 69 On You
Girl I Got Plans To Use My Hands
And I Ain't Playing With You
I'm gonna Give It To you Straight Up
Front To Back Shawty Side To Side
Go Down On Me Baby And Show Me

[Chorus]

[Hook:]

She Was Sucking On Me
And I Was Licking On Her
I Just Zoomed Into It
I Spreaded That Booty So Wide
I Can Tell That Shit Spreaded By The Look In Her Eyes
I Was Kissing On Her

And She Was Sucking On Me
I Just Wanna Get Into It
Shawty So Into It
I'm Glad That She Does It For Free

[Chorus X2]
