

# T-Pain, Freeze

(feat. Chris Brown)

[T-Pain]

I get it down on the dance floor  
Watch this...You don't even know girl!  
Come here, you know what I do (do)  
If you can do it too (too)  
And that's just something that makes me  
More attracted to you (you)  
And I, and I wanna see you  
Break it down (for me)  
Ha, yes we in this private (party)  
Girl, I like ya body (body)  
But can you tick tick tick tick tick tick  
Pop, Lock, and Drop it? (Woo)  
Cause I, and I wanna see you  
Break it down (for me)  
Watch this!

[Chorus]

Girl I been Wait 'n  
All night to see you dance like me  
You gon sweat yo outfit out  
Tryna dance like me  
Now let me see you move  
Oowoo-ooo-oo-oo.....now Freeze (like me)  
[Beat box' n...Repeats] "Step up"

[T-Pain]

Shawty, Girl I wanna battle (battle)  
Meet me downstairs (stairs)  
Bring yo dancing shoes  
And something to tie ya hair  
Cause I, cause I'm about to  
Break it down (on you)  
I see you with your friends  
You don't wanna get embarrassed (embarrassed)  
I know you see my bling, bling  
(Check out the karats)  
Cause I, I'm about to break it down on youuu
