""[Intro, T.I.P.]""

Have you ever been in the club?

And have a chick kind of run up on you

And kind of tell you to buy her a drink, Home?

And attitude is everything; you know what Im saying?

I mean,

A chick who asks for nothing to get everything

I aint gonna let you get it all like that
But Ima beating it

And if you wanna ride,
Then I just cant let it slide
If you plan to get me for all I got
You can start by spending the night

Unless youre here to make the head get tall
If not, gon get lost cause that aint me (If not, gon get lost cause that aint me)

""[Verse 3, T.I.]""

Shawty look so good so she think I should,
Throw doe to her like it aint none to it
Get you whatever you like, I could
But all Ill be giving you tonight is this wood
Hood,
To my heart, Id do it
Huge,
And your attitude just blew it
So rude that your mentalities,
Distorting your reality
Actually,
The more you speak,
Make me think where Id rather be
I dont care if you hiding me,
Cause I wont sponsor shopping sprees
Its lots of freaks that I could be,
Showing my generosity to,
Boo,
Stop it please?
I aint that guy
You aint that fly
Got your head up your ass thats why,
All you ask for is all I deny
I do for you what I decide
And I can buy all kinds of things
Go places,

Spend all kinds of doe
My kindness is no blindness though
T-Pain whered you find this hoe?
Haha
I know what you want me to do

""[Chorus]""
Put you in a Range (Range)
Buy expensive things
It aint me babe
It aint me
No, it aint me
No way
No how
Uh-uh
It aint me babe

Ice out all your fingers
Take you out and make you famous
