

# T. Rex, Christmas Bop

Christmas....T. Rexmas  
Christmas  
Everybody's gotta do the Christmas Bop, yeah  
Hey baby, lend me your ear  
Christmas time is drawing near  
Get on your silk jeans  
And your space shoes  
I've got some sweet, wild, devastating news

Christmas, here comes the fun  
Christmas, we're gonna have some fun  
Christmas, gonna dance till we drop  
Everybody's gotta do the Christmas Bop

Yeah, summer's gone and snow's fallen down  
I'm gonna miss that golden, surfing sound  
But cold's bold and there's nothing wrong  
We're dressed sweet while I'm singing my song

Christmas....T. Rexmas  
Christmas  
Everybody's gotta do the Christmas Bop, yeah

Hey baby, lend me your ear  
Christmas time is drawing near  
Get on your silk jeans  
And your space shoes  
I've got some sweet, wild, devastating news

Christmas....T. Rexmas  
Christmas  
Everybody's gotta do the Christmas Bop, yeah  
[repeat Chorus to fade]
