

# T. Rex, Country Honey

Take me down to the country honey,  
Take me down to the country honey,  
In a jeep that's sweet,  
In a jeep that's neat,  
Take me down to the country honey.

Take me down to the sea-side baby,  
Take me down to the sea-side baby,  
In a jeep that's neat,  
In a jeep that's sweet,  
Take me down to the country honey.
