

# T. Rex, I'm A Fool For You Girl

[A fool's lament is the wiseman's milkshake]

I'm standing winding staircase, seven eagles long  
Misty planet creature how could I kiss you wrong

The Poet wished upon a star  
And dazzling bright is what you are  
I'm a fool for you girl, I'm a fool for you girl  
I'm a fool for you girl, I'm a fool for you girl  
Dripping dancing diving, lipstick of the brave  
Sullen Garbo siren, your body's all I crave

Hot baby I'm a fool for you
