

T. Rex, I'm Weird

Keep on sayin' I'm weird
Keep on sayin' I'm weird
Keep on sayin' I'm weird to see everyone as me
And weirder to dispose of my, my, my
Fantastic skill
Keep on sayin' I'm in love
Keep on sayin' I'm in love
Keep on sayin' I'm in love to you
Any things I do are just reflections of my obscene and distorted love

Keep on sayin' I'm a fool
Keep on sayin' I'm a fool
Keep on sayin' I'm uncool
To not understand a lot of the things you got seem not to care

Keep on sayin' I'm a fool
Keep on sayin' I'm a fool
Keep on sayin' I'm uncool
To not understand a lot of the things you got seem not to care
You say I'm the weirdest anywhere
