

T. Rex, Painted Pony

C.....cmaj7...am.....
I went out one morning for a walk out by the sea
F.....g.....c.....
I saw this little girl and I love her
C.....cmaj7...am.....
I looked into her soul and she looked right out at me
.....f.....g.....c.....
And I knew that little girl and I love her

Cmaj7..em.....c...
Love is a funny thing it comes and goes
Cmaj7..em.....c...
Especially with burning up your nose (?)

C.....cmaj7.....am.....
I went out one morning took some air by the sea
F.....g.....c.....
Looked for my little girl but she was nowhere
C.....cmaj7...am.....
A painted pony rides□□ into the sea
..f.....g.....c.....
I wonder if my girl ever think of me

Cmaj7..em.....c...
Love is a funny thing it comes and goes

(repeat & fade)
