

# T. Rex, Rock On

I've been down there  
Everybody's been there  
Everyone everyone

Desolation angel  
On the cover of my paper  
Loves everyone everyone

Rock on  
Rock on

Mild mouthed Rita  
She's a Chevy Chase cheetah  
Loves everyone everyone

Teddy's going steady  
He's a silver-plated poet  
Loves everyone loves everyone

Prophet pumped the car-scar  
Deeper only sweeter  
Loves everyone
