

T. Rex, San Francisco Poet

His schooling days were ruling days to show it
To all the people eagerly wanting to blow it
Crazy just to see how foolish I can be
If he happens to be a San Francisco poet
Hey there Frisco poetically speaking
The days of the beatnicks are gone
Hey there Frisco poetically speaking
The Bible's all written wrong.

His schooling days were ruling days to show it
To all the people eagerly wanting to blow it
Crazy just to see how foolish I can be
If he happens to be a San Francisco poet
