

T. Rex, Sensation Boulevard

In this crazy world
Where jive's the game
The've got lonely me
Gold-plated on their brains

Take me down to
Sensation Boulevard
Take me down to
Sensation Boulevard
I got to go down

Slash cut boogie strut
The mark of the beast
Watch the groovies dance
At the peacock feast

Lady luck I want you
Bumping by my side
Like a silk shod connector
On a midnight ride

Sensation Boulevard
(I got to go)
Sensation Boulevard
