

# Tabitha's Secret, Here Comes Horses

Help me to remember girl if you don't mind  
Cause I feel just like the jester when the music died  
Haven't seen you lately  
But I know that nothing's changed

Feeling kinda shaky but the wounds have healed  
There's a crack there in the doorway where the walls have peeled  
Well I still see, the sun go down on a clear day

Here comes horses  
There, there goes the rain  
Here goes nothing  
Here it comes again

I was thinking I was angry but I'll let it go  
I was waiting on a miracle but nothing showed  
And they say our new messiah, is at the local bar

Greetings from the homefront have you heard the news  
That daddy bet his paycheck on the horses shoes  
And we won't feel that way for a long long time  
For a long time

Well, here comes horses  
There they, there goes the rain  
Here goes nothing  
Here it comes again

Yeah, can you feel this

Sitting in a taxi at the evenings end  
I was trying to remember where it was I'd been and  
Whether I've got someplace else to be

I ask you why you come and you say just because  
I guess I could do without it if I knew what it was, well  
It really doesn't matter, when you look at me that way

Well, here comes horses  
There they, there goes the rain  
Well my friend, welcome to the rain  
Here goes nothing, and here it, comes, again

Here comes horses  
There goes the rain  
Here goes nothing
