

# Tabitha's Secret, High

She had said, don't cry  
Said it only hurts forever, and all we have is time  
Yeah, she said, she will never know  
So close your eyes turn down the lights  
And I can start this show

Yeah well I can't sleep, so I believe  
If the shades are drawn then the slate is clean  
So don't look at pride  
Well there is no other way now, no

Don't try to make no sense of this scene  
It's just between Caroline and me  
And we keep changing

Yeah we can grow like a board on the shore  
She says I'm restless just a little more time  
Well you know damn well she wants, to feel this high

Yeah we knew, just who we were, ah  
Yeah well who we thought we'd try to be  
And who it's gonna hurt  
Oh but if I'd stayed, if I was strong at all  
Well then I wouldn't be with someone else  
I know where I, belong

Yeah still I can't sleep, so I believe  
If the shades are drawn then the slate is clean  
So don't look at pride  
Well there is no other way, yeah

Don't try to make no sense of this scene  
It's just between Caroline and me  
And we keep changing, oh anyway

Yeah we can grow like a board on the floor  
She says I'm restless just a little more time, a little more time  
Well you know damn well she wants, to feel this high

Yeah well I can't sleep, so I believe  
If the shades are drawn then the slate is clean  
So don't blush that's right  
Well there is no other way, yeah, a yeah  
I'm singing here right

Don't try to make no sense of this scene  
It's just between Caroline and me  
And we keep changing, oh anyway

Yeah we can grow like a board on the floor  
She says I'm restless just a little more time, a little more time  
Well you know damn well she wants to feel this, high

She wants to feel this high, high  
High, high, high, high
