

Tabitha's Secret, Just Plain Tired

You've been talking for an hour
And I swear to god I can't hear a word you say
So will you come to me, come to me
I get caught up and the waves of conversation they wash over me
Then they cover me yeah, they cover me

Should I just pack my things and leave
Would I be a bigger man if I, built a wall
Around this heart, and dared you to come in
I could lie to you, and say I didn't mean it
But hurts a funny thing and it makes you stronger

When all is nothing, in moderation
It's a dirty feeling, and it makes you stronger
Well I believe I'm just plain tired

There's a funny way your lip shakes
When I know that you've been lying
And it touches me
I said it comforts me, and well it comforts me

Well, I guess I should be satisfied
Did you say you love me half the time
Well, I'll settle there
Yeah I can build from there, build from there, yeah

Would you be happier if I, was only half the man I am
You could shadow me, and dare me to come in
I could to lie to you, say I didnt mean it
Doesn't matter, when you stop to think about it

When all is nothing, in moderation
It's a dirty feeling, and it makes you stronger
So I believe I'm just plain tired

Yeah the end is coming, she don't even feel it
It's a strange sensation, I'm almost happy
Well, I believe, I believe
I'm just plain tired, I'm tired(oh yeah, yeah, yeah, yeah)

Should I just pack my things and leave
Would I be a bigger man if I, built a wall
Around this heart, and dared you to come in
I could lie to you, say I didn't mean it
But hurts a funny thing, hurts a funny thing

When all is nothing, in moderation
It's a dirty feeling, and it makes you stronger
So I believe I'm just plain tired

Yeah the end is coming, she don't even feel it
It's a strange sensation, I'm almost happy
Well, I believe, I believe
I'm just plain tired, tired

Yeah, well, all is nothing, moderation
Dirty feeling, strange sensation
And I believe, I believe
Believe I'm tired
