

# Tabitha's Secret, The Only One

And I don't know what we're fighting about  
When everyone can see that I'm not crazy  
I only wanted to be the only one

A chance to be forgiven  
A chance to be forsaken  
Did I ever by chance cross your mind?  
I only wanted a chance to see you shine  
I only wanted a chance to see you shine

I don't have no worries  
No, and I don't need no answers  
Well there's just enough to make it day by day  
Well there's just enough to make you fade away

And I don't know what we're fighting about  
When everyone can see, I'm not crazy  
I only wanted to be the only one  
I only wanted to be the only one

Well I don't need forgiveness  
I can't be forsaken  
Well I'm only here to take back what is mine  
I can't believe the dullness of your shine, hey

Just enough has been taken away  
To make me believe in it all and I pray  
And I've only been on at the start to begin  
Just enough that there seems to be no end  
I only wanted to touch your face again  
I only wanted to see your face again

Well I don't know what we're fighting about  
When everyone can see that I'm not crazy  
I only wanted to see, the only one  
I only wanted to be, the only one, na, na, yeah

Rob: "It's something like that. We got our point across!!!"
