

Tabitha's Secret, The Only One

And I don't know what we're fighting about
When everyone can see that I'm not crazy
I only wanted to be the only one

A chance to be forgiven
A chance to be forsaken
Did I ever by chance cross your mind?
I only wanted a chance to see you shine
I only wanted a chance to see you shine

I don't have no worries
No, and I don't need no answers
Well there's just enough to make it day by day
Well there's just enough to make you fade away

And I don't know what we're fighting about
When everyone can see, I'm not crazy
I only wanted to be the only one
I only wanted to be the only one

Well I don't need forgiveness
I can't be forsaken
Well I'm only here to take back what is mine
I can't believe the dullness of your shine, hey

Just enough has been taken away
To make me believe in it all and I pray
And I've only been on at the start to begin
Just enough that there seems to be no end
I only wanted to touch your face again
I only wanted to see your face again

Well I don't know what we're fighting about
When everyone can see that I'm not crazy
I only wanted to see, the only one
I only wanted to be, the only one, na, na, yeah

Rob: "It's something like that. We got our point across!!!"
