

# Tabu, Everybody Knows

We getta cause we wanna  
We stay cause we have  
Somebody told no no  
We stay cause we have  
Don't say no if're fine now  
Nobody can punish You  
Them have no right  
Don't say no if're fine now  
There is an extra Almighty God in there  
Protecting us, holding in that hand  
Everybody Knows it's goog to be wiht Him  
Everybody Knows it's eternal life!  
Everybody knows  
Remind the days,  
We had we wanted  
We stayed we felt,  
Remind the days  
Nobody could punish us,  
Nobody had the right  
We lived we liked  
We lived we wanted
