

Taco, Singin' In The Rain

(My God...you fly thousands of miles to get some sun, and it's rainin' cats and dogs! Typical tropical)

I'm singin' in the rain, just singin' in the rain
What a glorious feeling, I'm happy again
I'm laughin' at clouds so dark up above
The sun's in my heart and I'm ready for love
Let the stormy clouds chase, everyone from the place
Come on with the rain, got a smile on my face
I walk down the lane with a happy refrain

I'm singin', just singin' in the rain

(Let it rain all day)

(Repeat 1st verse)

I'm singin' and dancin' in the rain

(Let it rain all day)

(Repeat 1st verse)

I am singin' and dancin' just getting wet in the rain

(Let it rain all day)
(Buckets of sunshine that bring me your love)
(Buckets of sunshine that bring me your love)
(Let it rain all day)
(I love the rainy day)
(We got sunshine, everyday...)
