

Taco, Winchester Cathedral

Winchester Cathedral
You're bringin' me down
You stood there and watched as
My baby left town

You could've done something
But you didn't try
You didn't do nothing
You let her walk by

Now everyone knows just how much I need her, that girl (are you that girl)
She wouldn't have gone far away if only you'd started ringing your bell

Winchester Cathedral
You're bringin' me down
You stood there and watched as
My baby left town
