Coming for you in the fast lane  
Got me all fired up full gas tank  
Put the pedal to the floor when I hit the door  
Give me everything you got like the bank is owed  
Yeah  
You pull up in the lambo  
With that drip that shit like candles  
And I lose my grip where the handle  
And I'd choose you over the band doe  
You keep my engine on purr  
You could never get swerved  
How you move round the curves  
Make me ooh  
You got that thing that I want  
Know your love hit the spot  
And you never should stop  
Baby, shoong
