And my man Steve Roll'n
We're kicking the flow we're kickin'
And it goes a little somethin' like this
Tag Team back again check it
Wreck it - let's begin
Party on party people let me hear some noise
DC's in the house jump jump and rejoice
There's a party over here
a party over there
Wave your hands in the air
Shake the deriere
These three words mean you're gettin' busy
Whoomp there it is
whoomp there it is

Upside down and inside out
I'm about to show all you folks
What's it's all about
Now it's time to get on the mic
And make this party hype
I'm talking it back to the old school
'Cause I'm an old fool who's so cool
If you want to get down
I'm gonna show you the way whoomp there it is
Let me hear you say
whoomp there it is

Whoomp chak a laka chack a laka chak a laka chak a
Point blank gin and juice I drank
Gettin' bent and bent and as I puff on a dankt
Rock the mic

Rip skit find a honeydip to dip it in
Slam dunk it stick it flip it and ride
That B double O T Y oh my
Ooh that it come on come on
Whoomp there it is I'm done

Hey
some say I'm crazy
'Cause I'm pushin' up daises
The underground sound that you have found
Amazing outstanding demanding
Commanding you people dancin'
That's a breath taker
I produce AKA the undertaker
You want to come down to the underground
Old school - here's a shovel can dig it fol
Can you dig it

Can y'll dig it

Why double omp as I flow
To the fly from the school of old
Hardcore kick the folk lore wreck
Three to the two and one mic-check
Mad skill flow ill on the mesh of steel
