[Verse 1:]

Baby, Talk To Me  
What Is Going On  
Cause Lately  
We Ain't Been  
Spendin Time Alone  
Last Night  
When I Touched Your Hand  
You Didnt Wanna Hold  
Today  
No Kiss Goodbye  
Jus Said You Had To Go

[Chorus:]

If You're Leavin Me, Baby  
I Just Wanna Know  
I Just Wanna Know  
If You're Done With Me, Baby  
I Just Wanna Know  
I Just Wanna Know  
I Just Wanna Know  
Yeah Yeah  
Yeahhhhhh

[Verse 2:]

Listen  
If You Care  
Something You Wanna Say?  
Please Don't  
Dont Hold It Back  
It'll Come Out Someday  
I Am

I'm Strong Enough  
To Mend My Broken Heart (Oh Yeea)  
If You Say  
That You And I  
Are Betta Off Apart

[Chorus:]

If You're Leavin Me, Baby  
I Just Wanna Know  
I Just Wanna Know  
If You're Done With Me, Baby  
I Just Wanna Know  
I Just Wanna Know  
I Just Wanna Know

Oh Yeahhhh  
I Just Wanna Know
